Re: Tom Lasley

I've known Tom Lasley as a dear friend and fellow builder for over 13 years and am happy to attest to both his impeccable personal integrity and his surpassing knowledge and skill as a builder.

Having been a do-it-yourself home restorer for 25 years, I've been truly awed by the depth of Tom's building knowledge, which he has been kind enough to share with me on the many occasions when I have asked his advice about how to solve a particular building problem. Moreover, as his friend I have gotten a behind-the-scenes look at how Tom has dealt with many of his clients, and I can tell you that without exception he has made their satisfaction his top priority. Let me also add that he treats his employees with the utmost respect and generosity.

As you can see, I'm one of Tom's biggest fans, and for good reason. Please don't hesitate to call if you'd like more information.

Sincerely,
